// ABOUT ME

I want to do my part to leave the world in a better place, so what more profound way to accomplish that then directly develop, design and create products and tools that benefit others and allow businesses to operate more efficiently?

Gallup Top 5 CliftonStrengths:
Competition, Futuristic, Learner, Input, Empathy

// PROFESSIONAL EXPERIENCE

Digiboost – San Antonio, TX 2017 - 2018
Solutions Consultant

Worked in a fast-paced startup environment helping our target demographic, underserved SMBs, in all digital marketing needs. Utilized proactive sales approach to reach \$100K in direct sales by Q2. Wore many different hats, recognized for my ability to connect with customers, and participated in partnership talks with outside leadership teams.

Best Tickets – San Antonio, TX 2013 - 2017
eCommerce Manager

During my tenure, our website generated \$3M+ in gross revenue. I also contributed personal sales figures (B2B + B2C) of \$2M+. Designed and implemented e-mail marketing campaigns, which generated \$200K from 2015 until 2017.

Breakout Arena – Sprimont, Belgium 2012 - 2013
League Coordinator - UBPL

Managed operations for Belgium's largest local tournament paintball series. Served as league commissioner, and handled all communication efforts and organizational duties of how tournament was operated. Still competed locally and internationally in the professional paintball circuit.

GetMeFriends – San Antonio, TX 2010 - 2011
Internship/SDR

Served as sales development representative, funneling leads through proper channels. Kept organized documentation of client interactions to better assist members of sales team as customers moved through sales-funnel.

San Antonio X-Factor – San Antonio, TX 2008 - 2010
Professional Paintball Player

Traveled across the country and Europe competing at the highest level of competition for tournament play. Worked collectively with 10-12 members of team to accomplish our goal of winning every tournament we played in.

// EDUCATION

Codeup 2018
Software Development
Certificate of Completion

University of Texas at San Antonio 2011
Bachelor of Liberal Arts - History

// PROGRAMMING SKILLS

HTML - CSS - Bootstrap - JavaScript - jQuery -
Java - Java EE - Spring - npm - GitHub -
Exposure to: JSX, React.js, Sass

// DEVELOPMENT PROJECTS

Ad Lister - August 2018
Full-stack web application that allows users to create/update an account to post advertisements for various categories.

Contacts Manager - August 2018 (v2.0)
More robust and user friendly than v1.0. This project was my initial exposure to working with JSX, React.js and Sass.

Movie Lister App - July 2018
Single page movie application for users to add, edit, or delete movies, as well as rate them. Worked with JSON to simulate server interaction, while AJAX requests filled out front-end and DOM manipulation.

Weather Map - June 2018
Web application where users can view single, 3-day, or 5-day forecast for a given area. Incorporated both Google Maps and weather API.
